1. **Biography of Nominee:** Please append the nominee's **full CV** in a separate attachment.
2. Please provide a short justification (max 250 words) for your selection. Note: nominations will be assessed against the evaluation criteria listed below. Please ensure you provide the appropriate detailed information in order for the review committee to assess the candidates accordingly.

1. Impact of nominee's research on respiratory sciences in Canada; extent to which the nominee has contributed significantly to the advancement of respiratory sciences in Canada (e.g., important/key research results or findings) over the last ten years.
2. Relevance/application/impact of nominee's research to a clinical setting (i.e., translational research; "from bench to bedside").
3. Demonstrated strength and reputation of the proposed nominee in the field of respiratory sciences in Canada and internationally.

Note: The nominee must NOT have received a DL Award in the past.

A large, empty rectangular box with a thin black border, intended for providing details or evidence related to the nominee's research and reputation.
